IN-HOUSE HOCKEY

2018 FALL SEASON

VICTORY HOCKEY

Welcome to Victory Hockey, Skate Frederick's In-House Ice Hockey Program. Victory Hockey is a recreational and developmental program for boys & girls ages 5 to 18. Exciting things are happening around the rink and we hope you will join the TEAM!

Victory Hockey is excited to offer our 2018 In-House season under the direction of Hockey Director, Jon Weetman. The Victory Hockey program focuses on skill development, sportsmanship and fun. To ensure that players are getting the most from the Victory Hockey experience, we require all players to have completed a Learn-to-Play Hockey program before registering, or have the permission of the Hockey Director.

OUR MISSION

To foster an environment in which young people develop as athletes, leaders, and members of the community through a comprehensive hockey program that emphasizes fun, skill development, teamwork, sportsmanship, and good character. Our goal is for every participant—whether coach, player, or parent—to have the opportunity to improve his or her skills and knowledge of the game of hockey while experiencing all the enjoyment this great game provides. Our desire is to create hockey players and hockey families that will remain a part of the game throughout their lifetimes.
