## PROPER SKATING ATTIRE

- ◆ Bike helmets required for 3, 4 & 5 year olds.
- ◆ Warm clothes (nothing big and bulky—no ski suits)
- ◆ Gloves (No mittens)
- ◆ One pair of thin socks (thick socks can cause blisters)
- ◆ Figure skates are easier to learn in because the longer flat blade provides the skater with more stability. If playing hockey is your goal, the switch to hockey skates may be made after a time of success with figure skates. Please consult your instructor first before making the switch.
