PROPER SKATING ATTIRE

Bike helmets required for 3, 4 & 5 year old skaters.

Dress in thin layers (nothing big and bulky—NO ski suits)

Gloves (NOT mittens)

One pair of thin socks (thick socks can cause blisters)

Figure Skates are easier to learn in because the longer flat blade provides the skater with more stability. If playing hockey is your goal, the switch to hockey skates may be made after a time of success with figure skates. Please consult your instructor first before making the switch.
